Watch the video

video

Watch the video lesson. There will be pictures that will help illustrate the topics which are being discussed. Watch the video in its entirety, use a paper and pen to write down words or phrases that are new to you.

transcript

Listen for the following information:

1. The Queen's role in the Canadian government.
2. The three parts of the Canadian government.
3. What is the Canadian Senate responsible for?
4. How are provincial governments run?
5. How are Canadians taxed?

audio

Watch the video again, use a paper and pen to write down words or phrases that are new to you. Next, read the transcript which can be downloaded below the video or by scanning the QR code in the worksheet.

Highlight any words or phrases you know which you didn't hear in the video. Finally, listen and read with the transcript. Connect the words you've learned as well as the words you knew and didn't hear. I suggest you listen to the audio version of this lesson again sometime during your week. Take notice if it was easier for you to understand when you review it.
